KRATOS – About an exhibition project, extras, ethical issues and curatorial practice

*Good God,
if our civilization were to sober up for a couple of days
it'd die of remorse on the third.*

The lecture will take as a departure point the upcoming exhibition project *Kratos – About (Il)Legitimate(d) Power* which thematize various aspects of power and its control will structure – especially by the use of the extra. Along with a presentation of the project, the invited positions a.o. Maria Eichhorn, Teresa Margolles or Artur Zmijewski, and the subject of the extra in contemporary art the interest will be on ethical issues. It is frequently observed that these artists are confronted by art critics and curators who reproach them for operating with strategies that degrade or humiliate these people.
